

## FP215 Privacy Screen for 21.5" Widescreen Monitors

K55797WW

### Product Description

Protect the sensitive information displayed on your monitor while also protecting your vision and the screen itself from scratches and fingerprints with a Privacy Screen for a Widescreen Monitor. They're great when you want to block wandering eyes that might be able to see what's on your desktop monitor. The thin privacy screen limits the field of vision to +/- 30 degrees and attaches with tab holders you place around the edge of your screen. The privacy screen also reduces harmful blue light by up to 30 percent.

### Features

- Limits viewing angle to +/- 30°, hiding personal or confidential information from anyone trying to look from the side
- Reduces harmful blue light by up to 30%
- Can be installed using the included frameless tab holders or double-sided tape
- Anti-reflective coating reduces glare and improves clarity
- Reversible with matte and glossy viewing options
- Protects the monitor screen from scratches and damage
- Cleaning cloth included
